BICOTTURA/ DOUBLE FIRED

Botanical

La collezione Botanical disegna le forme della natura miscelando contemporaneità ed eleganza. La superficie lucida nel formato 25x75, propone tre differenti concetti, tre versioni Jungle, con il verde intenso e prepotente del "Green Savage", una versione più fredda "Blue Forest" e l'astratto del decoro "Essential"; due temi moderni "Nordic" e "Garden" e due proposte floreali riviste in chiave moderna, "Romantic" e "Water Color". La collezione si completa di cinque fondi colorati che abbracciano le differenti varianti grafiche, pronte a vestire le pareti di qualsiasi ambiente della casa.

The Botanical collection draws the shapes of nature by mixing contemporaneity and elegance. The glossy surface in the 25x75 size offers three different concepts, three Jungle versions, with the intense and overbearing green of the "Green Savage", a cooler version "Blue Forest", and the abstract of the "Essential" decoration; two modern themes "Nordic" and "Garden" and two floral proposals revisited in a contemporary key, "Romantic" and "Water Colour". The collection is completed with five coloured backgrounds that embrace the different graphic variants, ready to dress the walls of any room in the house.
